### ***A few words from the Founders ...***

It is a profound sense of satisfaction and accomplishment that envelops us as we task ourselves with the drafting of this corporate overview. Collectively, we have strived to improve ourselves through dedication and hard work to best serve our clients and communities. We have sought every means by which we can improve our products and services to the benefit of our customers and the industry at large.

The plain and simple fact is that, there are a myriad of construction management companies that are available in the marketplace. What sets ***Bastion and Associates*** apart, aside from our fifty years of combined corporate operational, accounting and managerial experience, is our dedication to you, our client.

Our team of architects, engineers and managers have proven success that enable us to deliver results that meet and exceed our clients' expectations of project delivery that is on time, on budget and at a higher level of quality than that our competitors. With ***Bastion and Associates*** our customers get the personalized attention as if they were our one and only client.

From new corporate headquarters to urban infill projects and beyond, ***Bastion and Associates*** has the necessary experience to make each and every project a success. Contact us, and let our team of professionals assist you to custom-tailor a program that meets all of your project requirements and managerial needs. We are looking forward to hearing from you.

Respectfully,

***Bastion and Associates***
